Earl Millen Toh Akwe

Associate-Founder of Tech Transcends237|Web developer and
trainer|Software developer at FELJTECH|CE Student NAHPI
Bamenda

Summary

Work with several tech experts in several tech companies including
NNW Empire, Afritech Technologies,FELJTECH, and more .Now am
currently with a tech community called TECH Transcends working
on developing a better world. My key role in this companies has
to deal mostly with front end UI and UX design follow by security
management which is another area of specialty for me.Am looking
forward to collaborate more on more projects and work with the work

---
